

# Con tech

*Let's Construct Future*

Indian Concrete Institute

**February 23-24, 2024**

**Ambedkar Convention Centre, New Delhi**

**Public-Private Sector  
Engagement Platform**

**Exhibition**

**Participation from different countries**

**12 technical sessions  
with 60 experts**

**Exclusive  
Business  
Meetings**

**Industry Awards**

## About ConTech?

An exhibition and a conference platform **focused on the building and construction industry**. ConTech is organised to drive and support digital acceleration changes in every aspect of architectural design, building and construction through the application of digital technologies. ConTech aims to think futuristic for the building and construction industry. ConTech will showcase a comprehensive range of **technology, digital, machinery system and equipment, impacting building and construction efficiency to over 500 trade visitors**, coming from all sectors of the building and construction industry.

## Why ConTech?

The construction industry is rapidly evolving, and technology plays a more critical role in enhancing the efficiency, safety, and sustainability of the industry. But the most important element of construction will always be its people

## ORGANISERS

Indian Concrete Institute would be as Co-Organiser of the event, ConTech. Indian Concrete Institute, ICI is one of the leading professional bodies in India, catering to the professional needs of individuals and organisations involved in concrete. Being a non-profit Organisation, it is dedicated to the cause of Disseminating Knowledge on Concrete, to Promote Concrete Technology and Construction and to address the Research Needs of Concrete. ICI was born in 1982 with around 500 members from 5 regional Centres & now 48 centres are opened & more than 14,000 members enrolled.

Chalk Talk attaches great importance in the Calendar of Events of Indian Industry, as a networking platform where who is who of industry, government, academia, and media from around the globe come under one platform. Conferences/seminars and workshops on subjects relevant to the focused industry segments, are also being organised by Chalk Talk, enabling Indian industry to adapt latest technologies and innovations in Manufacturing and Services sector. Chalk Talk is set to host the unique concept of Engineering & Manufacturing Exhibition, 'ConTech', from February 7-9, 2024 at Ambedkar International. This prestigious event will bring together the various stake holders of the construction & technology sector with domestic and overseas producers, exporters / importers, consumers and buyers, experts, technology providers, architects, builders, developers, corporates & the most innovative and dynamic players in the engineering and manufacturing industry, providing a unique opportunity for industry professionals and buyers to interact and explore the latest trends and technologies in the field.

Conferences offer a great opportunity for construction professionals to come together and get the hands-on education, discussions, and learning that accelerate careers and the industry overall

World of Concrete combines knowledge, equipment, and connections. Learn about the latest training and techniques available in concrete

ConTech is best for Concrete designers and contractors, material suppliers and vendors, self-perform contractors, MEP designers, builders and manufacturers, material suppliers, project owners

Various communities are available for networking, exploring new ideas. This conference is designed for the technicians, engineers, managers, and leaders who are curious about the latest trends and technologies in facilities management

***"India is poised to become the 3rd largest construction market in the next 2-3 years. There is a lot of potential in this sector with demand surge last year."***

**PIYUSH GOYAL,  
Minister of Consumer Affairs,  
Food & Public Distribution**

## HIGHLIGHTS OF THE CONFERENCE

**Business Matching Meeting Programs**

**Showcase the Advance Software in Construction Industry**

**Tech Pavilion**

**Use of Technology in High Altitude Areas**

**Technology Presentations & Live Product Demonstrations**

**Construction Material Companies**

**Public-Private Sector Engagement Platform**

**Chemical Industry**

**Smart Cities Innovative Plans/ Technology**

## HOW IS CONTECH DIFFERENT FROM OTHER EVENTS?

- Covering all aspects and every area of construction from technology to sustainability to environment even academics.
- Providing holistic solutions to have and have not in construction fraternity.
- To act as a bridge to build New India.

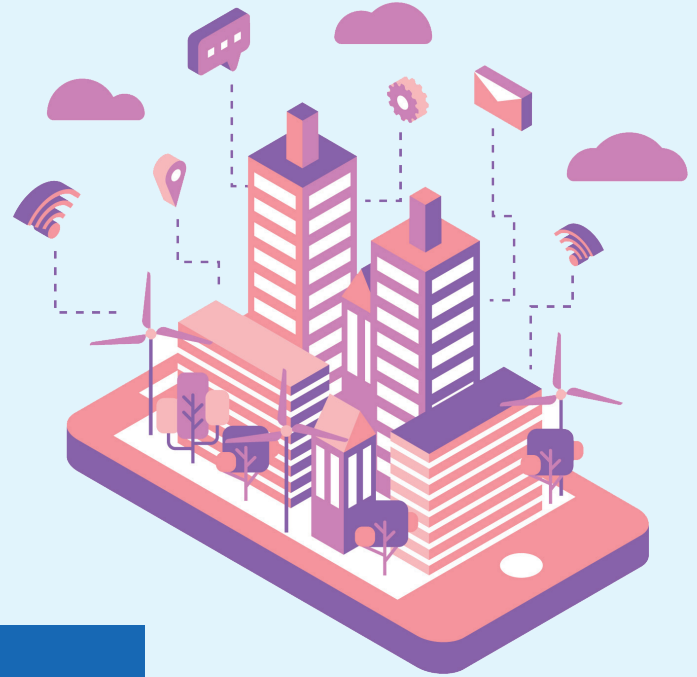

## TOPICS FOR PANEL DISCUSSION

- Urban Design
- Advances in Concrete & Construction Technology
- Advanced Earthquake Resistant Techniques
- Evacuation Patterns in High-Rise Buildings
- Concrete Repair and Structural Strengthening
- Hazardous Waste Management
- Bamboo as a Building Material
- Design Considerations For Roadside Safety
- Architectural Design Consideration In Cyclone Prone Areas
- Design Innovations for Special Structures
- Digitalization in the construction industry
- Technologies and Smart Solutions
- 3-D printing and additive construction
- Robotics and automation
- Reducing carbon emissions
- Mitigating the effects of climate change

## PARTICIPANTS PROFILE

- Engineers
- Architects/Designers/Contractors/Builders
- Construction Equipment/material/technology companies
- Academic Institutions/Research Institutes/R&D departments
- Industry Professionals/Developers
- Testing & standardization organizations
- Technical experts & consultancy organizations
- Trading & marketing organizations
- Media
- Chambers of Commerce
- Start ups/Innovators

## STALL RENTALS

**Indoor Built Up  
(1 Side Open - min. 3x3 sq.m.)**      **₹7500  
per sq.m.**

**Indoor Built Up  
(2 Sides Open - min. 3x3 sq.m.)**      **₹8500  
per sq.m.**

Delegates	Delegate Fee	Stall Rental
ICI Members and Academicians	₹5000	₹45000
General Delegates	₹10000	₹65000
Students	₹3000	₹5000
*Note: The above amount is exclusive of 18% GST		

## ORGANISING COMMITTEE

- Chairman: Dr. Shishir Bansal, ADG, CPWD, VP North-ICI
- Indian Concrete Institute, ICI, New Delhi Centre
