Deep Foundation Technologies for Infrastructure Development in India 2025

Conference Overview

We are excited to announce DFI-India 2025: 14th Annual Conference taking place during September 8-10, 2025, at Surat, Gujarat. An acknowledgement is due for the great support from the whole industry for the success of the DFI-India 2024 at Goa.

This event brings together deep foundation professionals for discussions, debates, and presentations on the latest technologies relevant to deep foundation design and construction for major infrastructure projects. The conference will provide valuable networking opportunities, exhibition of products and services, and contribute to improving deep foundation practices in India.

This event is hosted by DFI of India in collaboration with the Indian Geotechnical Society Surat Chapter and Sardar Vallabhbhai National Institute of Technology (SVNIT) Surat at the luxurious Avadh Utopia.

Conference Chair

Prof. Chandresh Solanki,
Chair, IGS Surat Chapter, Professor at SVNIT Surat

Technical Chairs

Dr. Jaykumar Shukla, Geo Dynamics Engineers LLP
Dr. Jitesh T. Chavda, SVNIT Surat

Full Committee Listing at dfi-events.org/india25

Conference Registration Fee (for all nationals)

3-day Conference September 8-10, 2025	INR
DFI Member	9,000
IGS Member [^]	9,500
Others*	11,700
Student (PG & Research)**	5,000
Spouse	4,500
Paper Publication Only***	4,000

[^]You can add DFI membership from October 2025 to December 2026 at a concessional rate of INR 2,200.

*Includes DFI membership from October 2025 to December 2026 at concessional rate for non-member Delegates.

Please visit dfi.org/india for membership benefits.

**Students must register using the institute email ID or submit a copy of the Student ID as proof. All student registrants will get free DFI membership throughout their academic term.

***The registration fee for papers selected or opted for publication only without conference attendance.

Delegate registration closes on August 28, 2025.

On-site registration fee INR 1000 extra.

Contact DFI of India office for group registrations at attractive rates.

Cancellation policy: Visit registration site for cancellation policy.

Professional Development Hours

First and second day	6.0 PDH each day
Third day	3.0 PDH
Total 15.0 hours (depending on your attendance)	

About the Conference

The opening session of the conference will feature an inaugural event and two keynote presentations. The second session will be dedicated to a specific theme with expert speakers. In addition to corporate presentations, sessions three through five will feature keynote presentations, contributory paper presentations, and the Women in Deep Foundations (WiDF) session. Parallel sessions will cover various topics through paper presentations. The conference will conclude on the third day with an awards ceremony and a valedictory session. Participants will benefit from the conference proceedings, which will aid in adopting best practices and cost-effective project execution.

More than 30 exhibition booths by various stakeholders in the deep foundations industry will enrich the conference experience.

The conference will focus on the following topics:

- Innovative Techniques in Deep Foundation and Deep Excavation Design and Construction for Infrastructure Development
- Design and Construction of Tall Building Foundations
- Ground Improvement Techniques
- Deep Marine, Near-shore and Coastal Structures - Design and Construction of Deep Foundations
- Deep Foundation Failures: Lessons Learnt and Best Practices
- Cost-Effective and Sustainable Practices in Deep Foundations and Smart Foundations including Reuse of Existing Foundations
- Advances in Geotechnical Characterization, Foundation Monitoring and Performance Evaluation; Geotechnical Data Management, Automation, AI, ML in Deep Foundation design and Construction
- Modern Research, Experimental and Numerical Methods in Deep Foundations, Deep Excavations, and Ground Improvement Technologies
- Smart Foundation Equipment; Governance and Compliance Challenges in Deep Foundations
- Other Topics of Interest in the Deep Foundation Industry

Conference Venue, Organisers, and Exhibition Layout & Opportunities

Conference Venue

Avadh Utopia

Dumas Road Opp. Air Port,
Nr. DPS School, Surat, Gujarat 394 550

Set in the heart of Surat, Avadh Utopia is a world-class venue known for its unparalleled blend of elegance, luxury, state-of-the-art facilities, and seamless event experience. With its world-class amenities and exceptional hospitality, this venue sets the perfect stage for insightful discussions, networking, and innovation at DFI-India 2025 conference.

Organisers

Deep Foundations Institute of India

The Deep Foundations Institute (DFI), a non-profit organization, represents consultants, contractors, manufacturers, and suppliers in deep foundations industry.

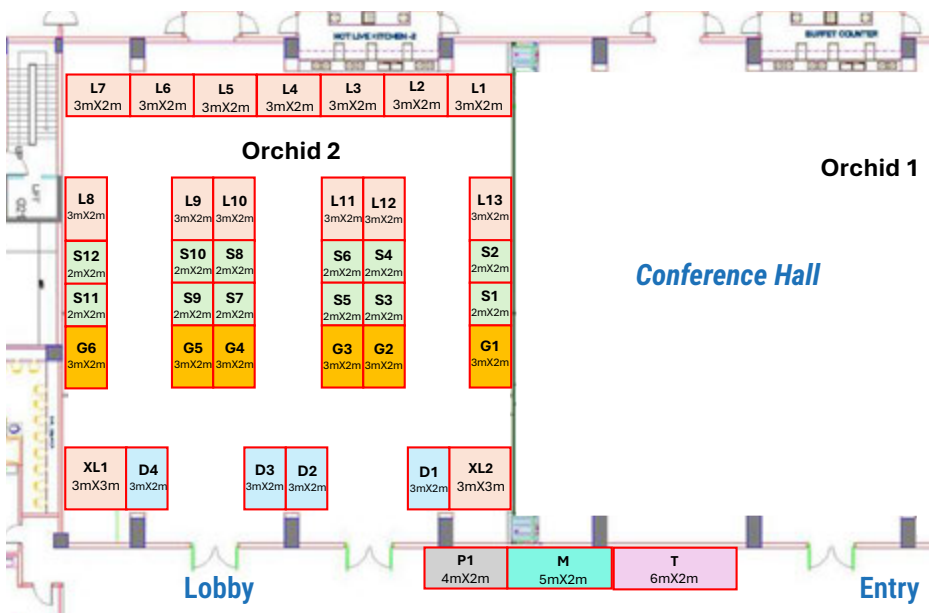

After successful conferences in Hyderabad (2011) and the inaugural conference on 'Deep Foundation Technologies for Infrastructure Development in India' held at IIT Madras in Chennai (2012), DFI of India was registered with the Ministry of Company Affairs as a non-profit organization in 2013 under an affiliation agreement with DFI USA.

Subsequently, annual conferences on 'Deep Foundation Technologies for Infrastructure Development in India' were held in cities such as Mumbai (2013), New Delhi (2014), Bangalore (2015), Kolkata (2016), Chennai (2017), Gandhinagar (2018), Hyderabad (2019), Tirupati (2022), Vadodara (2023) and Goa (2024) with virtual conferences in 2020 and 2021. DFI of India has also organized seminars and workshops across India, aiming to enhance professionalism and promote new technologies for India's development.

Through these initiatives, DFI of India fosters constant interaction among stakeholders in the deep foundations industry, including international agencies. Additionally, DFI of India offers programs for students, women in deep foundations, geotechnical investigation professionals, technicians, and the wider construction workforce. For more information, visit dfi.org/india.

Exhibit Booth Layout[^]

Indian Geotechnical Society Surat Chapter

The IGS Surat chapter is one of the oldest chapters in India. The members are from engineering institutes and many professional organizations. The members of the chapters have organized and participated in several national and international events. The IGS Surat chapter has organized IGC 1982, 1991 and 2019 and several Workshops, Seminars, Training programmes and Webinars.

Prof. Chandresh Solanki is the current Chairman, Er. Sanjeev Agarwal is the Vice-Chairman and Er. Nehal Desai the Secretary of the chapter.
